The Chaplaincy Council Meeting held on Tuesday dealt mainly with further discussion on the options for recruitment of a new Chaplain, linked to our finances at the present time and over the next 5 years. The discussion was every serious and all the Council members took an active part. This is an ongoing discussion so we will meet again on June 19th and July 3rd.

The Council approved the payment of our contribution to the Common fund requested by the Diocese to all Chaplaincies in Europe.

Following the AwayDay at Montauban last month work will be done on the Person specification based on all the information received and voted on by the Council Members.
